Marketing Performance Report

221 RUE SAINT-JACQUES 1102

REPORT OUTLINE

We want our website and marketing campaigns to be successful in helping sell your home, this is why it is crucial that we use in-depth analytics to set, measure and adjust our marketing efforts.

Analyzing your home's online traffic will help us understand how potential clients are interacting with your unique listing page and lets us see how it is performing over time. The Marketing Performance Reports are full of useful data and valuable insights. If you have any questions, we are here to help!

This report includes a summary of the following platforms:

- + Website statistics (christinamiller.ca, profusionimmo.ca, christiesrealestate.com, luxuryrealestate.com, leadingre.com, realtor.ca & juwai.com)
- + Social media post statistics (Facebook, Instagram, LinkedIn, Twitter & Google ads)
- + Paid digital advertising statistics (Facebook, Instagram & Google ads)
- + Print ads (The Montreal Gazette, LaPresse+ & Westmount Independent)

UNDERSTANDING ANALYTICS

Measuring the success of our posts and ads is a critical component of online marketing. It's important to check our analytics regularly to spot trends and see what's working.

We use specific KPIs (Key Performance Indicators) to measure what is intended to be measured in order to help inform better decision making. Below is a brief explanation of the KPI's that we measure to insure the success of our campaign for selling your home.

Impressions

The number of users who saw the post.

Engagement

Total number of times someone has viewed, interacted or engaged with a post or your home's listing page. Engagement is one of the most important metrics across all digital platforms because it shows us how people are reacting, and how to adjust.

Post clicks

Any clicks on the entire post.

Page views

Page views is the total number of times your home's unique page was viewed.

Unique page views

Unique page views is the number of times that your home's unique page was viewed at least once by a single user.

Average time spent on listing

Entrances is the number of times visitors entered our site through your listing.

WEBSITE STATISTICS

We work with a unique and global network of luxury real estate affiliates that provide you with the very best resources and professionals in luxury real estate. These brands offer broad industry experience and global reach together with the local knowledge and personalized attention made possible by their worldwide network of offices.
